VOL. XXIV. No. 20. BOSTON, MASS., FRIDAY, NOVEMBER 11, 1904. PRICE THREE CENTS.

CROSS COUNTRY.

Harvard vs. M. I. T.

As has already been announced, Harvard and M. I. T. will meet in a dual Cross-country race on Field Day.

The race will be the first event of the day and will finish between 2.10 and 2.15 P.M. The course is five miles long. The start will be at West Roxbury and for two-thirds of the way will be over rough country. For the last mile and a half, however, it will be a road race. The runners will enter by the west gate and will finish after one lap around the track.

In scoring the race, the first man counts one, the second two, and so on to the last man who counts twelve. The team having the smallest total wins the race.

The Technology team is composed of the following men: E. H. Lorenz, '05 (captain); P. G. Clapp, '06; G. H. Buckingham, '06; M. E. MacGregor, '07; W. S. Moore, '07; H. R. Callaway, '08, and B. Y. Gimson, '08. Six of these men will run. The team has been training for some time now and is rounding into fine shape. While it cannot be considered a veteran team, many of the men have done considerable cross-country running.

The Harvard team consists of: H. H. Rowland, '06; W. G. Howard, '07; S. Whitaker, 3 L; K. W. Lamson, '06; M. H. Stone, '07, and C. G. Jackson, 2 L. The first three men were members of last year's team.

M. I. T. A. A.

There will be a meeting of the M. I. T. Athletic Association, in Room 22, Rogers, for the election of officers. At the close of the meeting the point winners in the Fall Handicap Meet will be given their medals.

Notice.

The following men have been appointed to the Program Committee of the Mechanical Engineering Society: C. D. Klahr, P. E. Hinkley and J. M. Lambie. Advisory members: Professor Miller and Professor Fuller.

FIELD DAY ANNOUNCEMENT.

Duties of Marshals.

Twenty-four marshals have been appointed from the Senior and Junior classes. Owing to the fact that there will be no police on the grounds, these men will have, besides their regular duties, those generally assigned to the police in keeping the field cleared. As the maintenance of order rests upon these marshals, the student body is earnestly requested to co-operate with them, and remain in their assigned sections during the contest.

After the theatre the men will march by classes to Rogers Steps, where Institute cheers will be given, led by appointed cheerleaders. The Institute Committee wishes to impress upon the student body that all class rivalry must end at the close of the performance at the theatre. On no account can we afford at this time to have any disturbance on Rogers' steps such as might be brought about by brushes between the classes.

Sophomore Tug-of-War.

Since Monday, October 24, the Sophomore tug-of-war team has been pulling regularly every afternoon at the Tech Oval. Captain Rehn and Manager Wonson have been coaching the squad. The team will consist of Barker, Donnelly, Evans, Gonder, Hallett, Hamilton, Hampton, Hastings, Hinckley, Hudson, Jaccard, MacGregor, Marsh, A. Miller, Monahan, Morrill, Rehn (Captain), Russell, Sanders, Squire, Thacher, Wiggen, Wonson, Woodbridge and Hukill (anchor.)

The substitutes are: Bigelow, Mather, S. Miller, Nichols and Taylor. These men are to report with the team, and should be ready to take a place on the rope if necessary.

Sophomore Relay Team.

The trials for the Sophomore relay team were run off Monday afternoon at the Athletic Field in Brookline. The following men made the team: R. C. Albro, F. W. Barrows, Bragdon, C. A. Eaton, J. H. Leavell, H. L. Moody, K. W. Richards, P. N. Swett, J. J. Thomas, S. Very, R. H. Willcomb and C. W. Beam. Substitutes, L. Allen and G. W. Otis. K. W. Richards was elected captain of the team.

Freshman Relay Team.

The final trials for the Freshman relay team have been held, and the team will be composed as follows: Loomis, Orr, Weinz, Belliveau, Dwight, Brooks, Edmunds, Friedman, Taylor, Steele and Barcus or Richardson; substitute, Allen.

The team has been fortunate in having Mr. H. C. McGrath as a trainer. W. E. Weinz has been elected manager.

Freshman Tug-of-War.

The following men will constitute the Freshman tug-of-war team: Bodenstein, Batsford, Cushing, Malcolm, Gomez, Gordon, Lyon, Ford, Whitmore, Leslie, Cole, Ripley, Rawlinson, Hammond, Morrison, Hunter, Heath, Carter (capt.), Pierce, Ellis, Pfeil, Webb, Stevens (manager), Elton and Bird. Substitutes: Wells, Almy and Merril.

Football Line-up.

The probable line-up of the Sophomore and Freshman football teams on November 12 is as follows:

SOPHOMORES.	FRESHMEN.
Starkweather l.e.	l.e. Hellman
Seymour l.t.	l.t. Glover
Farlin l.g.	l.g. Child

1908 Class flags will be delivered at Cage, Saturday, November 12, from 11.45 A.M., to 1 P.M.

MECHANICAL ENG. SOCIETY.

Meeting Wednesday Night.

Mr. I. E. Moultrop addressed the members of the Mechanical Engineering Society last Wednesday on the new L Street Station of the Edison Illuminating Company. This plant has embodied many of his ideas, and its location as well as the arrangement of its parts, make it compare favorably with other large plants in this country. With considerable detail the condensor apparatus, the turbo-generators, the boilers, the switch house, and the coal-conveyors were described, the lantern slides showing their design and arrangement remarkably well.

We have received the following communication from Major Briggs:

In view of the article in *The Institute* this month, I wish to call the attention of the undergraduates to the idea that Technology Field Day does not mean incidental destruction of property.

Last year we paid to the management of the Charles River Park $27.40 for damage done to property, in addition to the rent of the park.

This year we are starting in on our own grounds, and the property is practically the joint ownership of every man. The cost of repairing any damage done this year will be divided between the Sophomore and Freshman Classes, and deducted from the allowance made them.

It is therefore suggested that fence painting and such details be dispensed with.

Yours truly,

FRANK H. BRIGGS, *Chairman.*

M. I. T. Hockey Team.

The candidates for the M. I. T. Hockey Team met for practice at the gymnasium yesterday. About twenty men are trying for the team.

They are as follows: H. C. Loutrel, temporary captain; H. L. Green, A. H. Cenedella, E. B. Hill, M. E. Vinton, W. A. Redding, Jr., B. K. Sharpe, G. S. Gould, R. Kann, A. K. Tylee, H. H. West, H. H. Chandler, H. S. Evans, S. Hall, C. H. McGuigan, L. M. Brown, H. R. Draper, E. H. Marsh, H. G. Speare, I. I. Yates and S. M. Henry.

WILLIAM A. NICHOLS, PRINTER, 108 SUMMER ST., REAR

This evening, preparation for the Field Day will be over, and each of the teams must stand or fall on its own merit. There is one thing more that may be done for them. Support them! The teams are to strive, not for their own glory, but for the glory of their respective classes. Root! Sing! Yell! Cheer! Oftentimes enthusiastic rooting at the right time will win the day, and Field Day will offer an excellent opportunity to show your spirit. A year ago '06 defeated '07, winning all the events. Every Senior should be there with the express purpose of seeing '08 defeated. Every Junior should be there to show '08 the spirit that will win. The Sophomore and Freshman have no excuse for being elsewhere — it is their contest. Everyone should be there and help to make our first Field on our own grounds a tremendous success, and to see that no one leaves the field without believing in the Tech spirit.

A Word Beforehand.

In past years there has been a rush between members of the contesting classes after Field Day is over. We do not care to say whether or not this is right, but we do caution the possible participants in one respect. When the cry "Down!" is heard, every man should press back, as some man has fallen, and may be dangerously injurd by the students unless the cry is immediately heeded.

Tech Show Management.

The following men have been chosen for the management of this year's Tech Show: P. E. Hinkley, general manager; K. E. Terry, stage manager; R. W. Parlin, business manager; R. G. Kann, assistant stage manager and F. S. Hamilton, assistant business manager.

Notice.

All men who have been appointed gatekeepers and ticket-sellers will meet in Rogers Corridor at 4 P.M. to-day (Friday), and be taken to the Field to receive instructions.

Notice.

Officials in undergraduate organizations are requested to hand to Mr. Powers a special tabular view card showing the recitation or lecture room in which they may be found.

1907 Class flags will be given out to men who have signed for them, at the janitor's office, Rogers, Friday, 1-2, and Saturday, 9-12.
